Registration:

You can register for the race in the form on the page www.dobrusli.cz/modrany-inline or you can send the club-insription to the address modrany-inline@dobrusli.cz. Both until 10th of September, later you can register on-site for the prices wittten in the paragraph Entry fee.

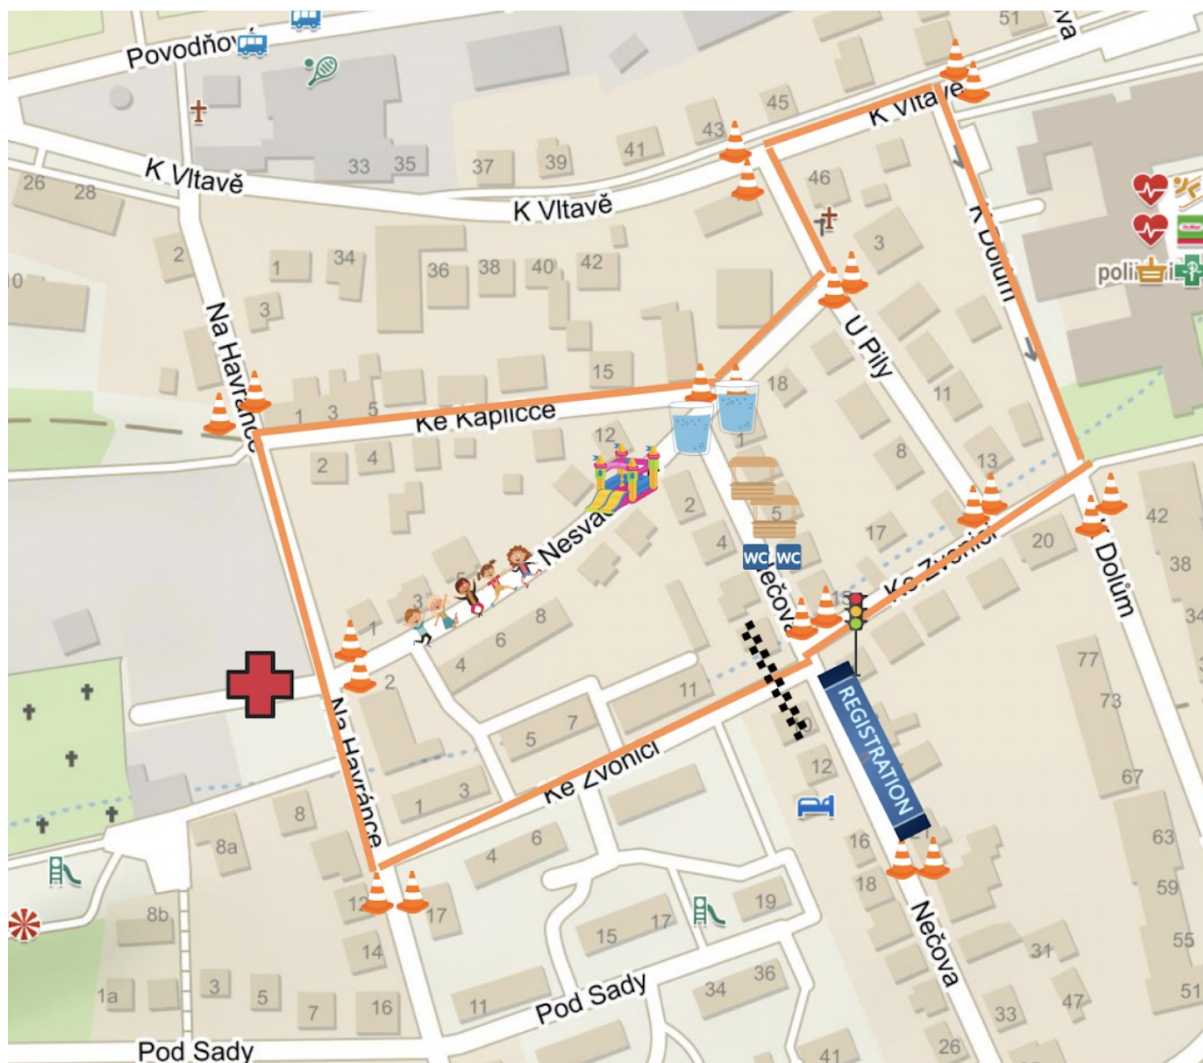

The presentation and pick up of chips takes place on the day of the race, at least 60 minutes before the given race.

Race circuit

Closed circuit in Prague Modřany - Start and registration in Ke Zvonici street. It will be driven counter-clockwise, the length of the circuit is 910 meters. Elevation of the track +/- 3 m. Difficulty of the track - easy with simple turns without 180° turns.

On the route, faster skaters move primarily on the left side and therefore on the inside of the turns. In the event that slower competitors overtake a wheel, the slower skaters follow the judges' instructions, but primarily the slower competitor tries to move more on the right side of the road, so as not to cross the path of faster and slower skaters.

Parking is possible in the adjacent streets, there are no paid-parking zones anywhere in the vicinity so you can park for free.

Participants:

Competitors (men and women) of all age categories from beginners to Masters categories according to the schedule. The number of participants is limited by the organizer.

In children's races on bouncers and scooters, children on bikes with pedals are not allowed to start, only on means of transport without gears.

Race Rules:

The race is held in accordance with the valid ČSKB sports regulations - available at www.cskb-inline.cz. It also contains rules regarding wheel sizes for individual age categories:

- Pupil categories must have wheels up to a maximum of 90 mm
- Cadets up to 100 mm maximum
- Juniors, seniors and masters may ride on wheels up to 125 mm

In addition, for this race, disqualification may occur for the following reasons:

- The competitor starts under a different name
- The competitor skates without a helmet on
- The female competitor will start in the men's starting wave, therefore with a head start
- The female racer uses train rides with the men, even though it is a separate race
- Unsportsmanlike behavior

A protest against the results can be filed within 15 minutes after the publication of the results, only in writing and with a fee of CZK 500, which is refundable if the protest is accepted.

Chief Referee:

MUDr. Denis Krupka

Time keeping:

To measure time and results, a system of chips will be used, supplemented by a finish camera to evaluate the small differences on the finish line. The chip is placed on the leg above the skate.

Mandatory equipment:

A helmet is mandatory for every participant for all races and for moving around the race track during skating. Guards are recommended for children's races, but not mandatory. Helmets are not available for rental.

Starting numbers:

Each competitor will receive a unique starting number at registration, which they will place with pins on their right thigh or on their chest.

Medical supervision:

Medical supervision will be provided at the races throughout the duration of the races.

Refreshment:

A refreshment station is prepared for the competitors on the 10 and 21 km races, in the area of which the competitors will receive a drink, the packaging of which can be thrown away immediately after drinking within 100 m of the refreshment station.

In addition, competitors are allowed to bring their own bottle of water with them. The competitor must bring the bottle to the finish line and not throw it on the race track so as not to endanger other competitors. Throwing it away is only possible in the area of the refreshment station. Throwing off at another point on the course may result in disqualification.

Storage of belongings:

During the race, it will be possible to store your belongings in a guarded locker tent, which will be under constant supervision. This is an additional service that will be carried out with the utmost care, however the organizer does not accept responsibility for any losses and recommends not leaving valuables in the cloakroom.

Responsibility:

Organizer does not take responsibility for injuries and any loss or damage to equipment during the race. Participants start at their own risk. Registered members of ČSKB are insured within this association.

Photos and videos:

As part of the race, official photos and videos will be taken for immediate and future use on the Internet, broadcasting, and in the press. Please note that you may be photographed and filmed as race participants, spectators. By entering this event, you agree that the organizers and the organizer have the right to use footage from this event for live broadcast or later publishing photos and videos on the Internet, in the press or on television. If you do not wish to be photographed, you must notify the event organizer in writing.

Processing of personal data

When registering for this event, the organizers collect personal data. This data will be used exclusively by the organizers for the registration of this event and will not be provided to third parties. As part of this public event, we will publish the relevant data (name, surname, club affiliation, age group and year of birth), as well as the results, and this data may be given to the press or TV media. By registering for this event, the athlete agrees to the collection, processing, storage and use of said personal data, as well as to the publication of the registration, start list and results. The athlete can appeal against this in writing to the organizer. In this case, personal data will be blacked out.
